PRESS RELEASE

FOR IMMEDIATE RELEASE

LAWTON – The City of Lawton will soon transition to a new online payment system for utility customers via Tyler Technologies, Inc. In preparation for this transition, citizens are advised of the following:

- Checks will not be accepted digitally 9/8/20 through 9/30/20 (checks can still be mailed into the City of Lawton or submitted over-the-counter at Lawton City Hall).
- Debit/credit card payments will still be accepted through 9/30/20 and afterward.
- Citizens will use the same parameters used now to login to the new Tyler Technologies Portal, expected to go-live 10/1/20; appropriate online payment portals will still be linked via LawtonOk.gov:
<https://www.lawtonok.gov/services/pay-your-water-bill>
- Applicable service charges/fees will still apply for online payments.

Questions or concerns may be directed to the Utility Services Division at 580.581.3308.
